

**Faza : 4**

Technical drawing of a wall section. The drawing shows a cross-section of a wall with a foundation. The wall has a total height of 5,50 and a thickness of 1,80. The foundation has a width of 3,50. The wall is reinforced with blue diagonal bars. The drawing includes a dashed line indicating the ground level and a hatched area representing the foundation. The reinforcement details are shown with blue bars and circles, indicating the placement of the reinforcement bars.
